

EEVI RUTANEN
B. 1992 ESPOO, FINLAND

EDUCATION

2017-2019
MFA COMPUTATIONAL ARTS
Goldsmiths, University of London

2011-2012, 2014-2017
BA VISUAL COMMUNICATION DESIGN
Aalto University School of Arts, Design and Architecture

4/2016-8/2016
BA/MA SCIENCE OF DESIGN, EXCHANGE STUDIES
Musashino Art University, Tokyo

2012-2014
BSC BIOINFORMATION TECHNOLOGY (DEGREE NOT COMPLETED)
Aalto University School of Electrical Engineering

WORK EXPERIENCE

2020-ONGOING
LECTURER AT AALTO UNIVERSITY SCHOOL OF ARTS, DESIGN AND ARCHITECTURE
Planning and teaching a compulsory course on creative computation for MA Visual Communication Design students. Advising and examining Masters thesis work. Participating in the student intake committee.

2019-2020
TEACHING ASSISTANT AT GOLDSMITHS, UNIVERSITY OF LONDON
Assisting in creative coding and computer science classes for undergraduate and postgraduate students.

2017-ONGOING
ARTIST AND CREATIVE TECHNOLOGIST
Creating interactive installations and computational art as an independent artist and for various clients.

2012-ONGOING
GRAPHIC DESIGN, WEB DEVELOPMENT AND ILLUSTRATION AS A FREELANCER AND AS PART OF THE GRMMXI COLLECTIVE
Designing visual identities, printed material and digital applications for various international clients.

3/2015-7/2015
DESIGNER INTERNSHIP AT BRANDING AGENCY WERKLIG
Package design, identity design, web design and type design. Supervising campaigns, organising meetings and coordinating client relations.

5/2014-8/2014
TRAINEE AT MEDICAL IMAGING COMPANY PLANMECA
Developing the company's internal communication methods and training practices and creating graphic materials for those needs.

POSITIONS OF TRUST

- 2022- Member of the student admissions committee at MA Visual Communication Design, Aalto University School of Arts, Design and Architecture
- 2022 Head of jury in the Experiential Design category of Vuoden Huiput 2021 competition, organised by the Finnish Graphic design Association Grafia
- 2022 Member of the grant admissions panel for Grafia
- 2021 Member of jury for Softislab textile art residency, organised by Tilaa Tekstiilille ry
- 2020- Visiting thesis evaluator and thesis advisor at MA Visual Communication Design, Aalto University School of Arts, Design and Architecture
- 2017 Member of the jury in the Pro Bono category at the Vuoden Huiput competition by Grafia

- 2022 Working Grant awarded by the Finnish Graphic Design Association Grafia
- 2021 Young Artist Grant awarded by the Finnish Art Society
- 2021 Working Grant awarded by the Arts Promotion Center Finland
- 2021 Nominated as one of the Rising Stars of the Year by Finnish Graphic Design Association Grafia
- 2017 Silver prize in Publication Design series in Grafia's Vuoden Huiput competition (with GRMMXI collective)
- 2016 Junior of the Year in Grafia's Vuoden Huiput competition (with GRMMXI collective)
- 2016 Gold prize in Visual Identity series in Grafia's Vuoden Huiput competition (with GRMMXI collective)
- 2016 Silver prize in Young Creative series in Grafia's Vuoden Huiput competition (with GRMMXI collective)

EXHIBITIONS

- 2022 "Fuzzy Logic" solo exhibition at Huuto gallery, Helsinki
- 2021 "Visceral Petting Zoo" participatory performance at EKA Gallerii, Tallinn
- 2021 "Mätäkuu" group exhibition at TUO TUO, Joutsa
- 2019 "So How is That Working for You" degree show with MFA Computational Arts at Goldsmiths, University of London
- 2019 "Uncanny Dimple" solo exhibition at Kosminen gallery, Helsinki
- 2019 "Come Join the Penis Parade" group exhibition at Fitzrovia Gallery, London
- 2019 "WIP 2.0" group exhibition with MFA Computational Arts at Goldsmiths
- 2019 "Binary Code" group exhibition at Seager Gallery, London
- 2018 "2bcn4wur" animatronic window display in collaboration with advertising agency Wieden+Kennedy, London
- 2018 "WIP" group exhibition with MFA Computational Arts at Goldsmiths
- 2018 "Ecosystems" degree show with MA Computational Arts at Goldsmiths
- 2017 "Enter and Encounter" group exhibition at Design Museum Helsinki (with GRMMXI collective)
- 2015 "TALKOOT" group exhibition at Kalleria gallery, Helsinki (with GRMMXI collective)
- 2015 "Spring Steam" group exhibition with the Visual Communication Design programme at Design Forum Finland Showroom, Helsinki
- 2015 "Bloom" group exhibition at LOKAL gallery, Helsinki

WORKSHOPS

- 2021 "Robot Orchestra" weekly youth robot workshop at Unga Teatern children's theatre, Espoo
- 2021 "Soft Synesthetic Synthesis" 2-day e-textile workshop at Softislab residency program by Tilaa tekstiilille ry, Helsinki
- 2021 "Soft Tech for Hard Times" one-week e-textile workshop for BA Graphic Design students at Estonian Academy of Arts, Tallinn
- 2020 "Garbage Patch Kids" one-week robotic workshop for BA Graphic Design students at Estonian Academy of Arts, Tallinn
- 2019 "Feminist futures" live action role playing workshop at Migrant Connections Festival, London (with NOWs collective)

- 2023 Invited talk at Aalto University Department of Media, Helsinki
- 2022 Invited talk at Computational Arts MFA programme, Goldsmiths, London
- 2021 Invied talk at Aalto University Department of Media, Helsinki
- 2020 Invited talk at Estonian Academy of Arts, Tallinn
- 2019 Invited talk at Paju Typographic Institute, Seoul
- 2019 Invited talk at EVA Conference, Computer Arts Society, London
- 2019 Invited talk with MFA Computational Arts, Goldsmiths, at Transmediale Student Forum, Berlin
- 2018 Panel discussion at "Ecosystems" Computational Arts MA/MFA Degree Show, Goldsmiths, University of London
- 2016 Panel discussion at Aalto University School of Arts, Design and Architecture, Helsinki (with GRMMXI collective)
- 2016 Invited talk at EKA Projektiruum, Estonian Academy of Arts, Tallinn (with GRMMXI collective)
- 2015 Invited talk at Rails Girls Finland, a non-profit organisation running coding workshops for girls and women (with Minja Axelsson)
